

## Breton Electric Earns Coveted Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Breton Electric has been awarded the prestigious 2010 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the companies rated on the nation's leading provider of consumer reviews on local service companies.

"Our Super Service Award winners are the cream of the crop when it comes to providing consistently high quality customer service, as judged by the customers who hired them," said Angie Hicks, founder of Angie's List.

"We really appreciate that we have once again received this award," said owner Steve Breton. "And we are proud to have received this award each year starting in 2007. "We also appreciate our customers who have taken the time to tell Angie's List about their experience with us," added Office Manager Wendy Dennis.

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their customers and abiding by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List, but members can find the 2010 Super Service Award logo next to company names in search results on [AngiesList.com](http://AngiesList.com).
